MEMORANDUM FOR: Acting Deputy Director for Science and Technology

FROM: _____   STAT
                               Director, Foreign Broadcast Information Service

SUBJECT: Talk to FBIS Bureau Chiefs and Key Headquarters Personnel

Jim:

    1. Re your scheduled talk with the FBIS bureau chiefs and FBIS
Headquarters personnel on Wednesday, 17 April, attached are brief bios on
the FBIS bureau chiefs.

    2. Bob Magee and Jim Taylor will speak to the conference on
Thursday the 18th. I suggest you discuss how you see the directorate
faring in the budgetary situation, our relations with Congress and the
attempt to brief Congressional people and others on directorate
activities, the creation of a "Board of Directors" and the defining of
the "businesses" of the directorate, how you see FBIS modernization
developing, any impressions you have on how FBIS is doing its job, and
what you see as the challenges in technical collection for the
directorate in the future. I'm sure you'll think of other things.

    3. If you need anything else, please let me know.

                                                                          STAT
